

27 Uses For Avon Bubble Bath!

27+ Uses for Avon Bubble Bath

1. Use to wash down the tub & shower.
2. Leaves bathroom fixtures shining.
3. Cleans the vanity top, cabinets, any surfaces, even your walls.
4. Can replace your body wash.
5. Use paper towels soaked in 1 part bubble bath to 3 parts water. They make great baby or hand wipes. Store in Ziploc bag in the car for easy cleanup.
6. Works as a shampoo (I have done this, amazing!!)
7. Good refill for liquid soap, it's mild on hands
8. Use to clean combs and brushes, leaving no residue
9. Helps reduce toilet bowl build up. Place 1 cap full in the tank every week.
10. Wash your appliances for grease removal and a streak free finish.
11. Can be used to hand wash dishes in the sink. DO NOT use in a dishwasher.
12. Use on cabinets and walls. Perfect for removing grease spatters.
13. Clean the fridge inside and out. It will help remove odors.
14. Use as a laundry detergent and you no longer need a fabric softener. 1 cap full
15. Great for hand-washing delicate items. Frugal substitute for Woolite.
16. Pre-treat stained laundry items. Just dab the stain with bubble bath and let sit 10 minutes. Then wash as normal.
17. Use to shampoo carpets, either the whole carpet or just spot cleaning.
18. Remove stains from upholstery by rubbing with a damp cloth dipped in bubble bath.
19. Cleans windows to a streak free shine.
20. Polishes all chrome household fixtures.
21. Can be used to wash no-wax floors – use 1 cap full with 4-6 ltr of warm water.
22. Will clean your jewelry.
23. Use to clean your eyeglasses.
24. Add to the children's wading pool to keep the pool clean.
25. Add to cleaning water for cars, campers or trailers. (interior and exterior surfaces)
26. Use to test tires, blow up pools or gas lines for leaks.
27. Use as Snail Repellent in the garden – mix equal parts water and bubble bath and spray on flowers. Not for use on edible plants.
